

## 2012 COMPLIANCE REPORT

All Saints' College is an independent Anglican co-educational school, in the southern suburbs of Perth. We were founded in 1981 and retain the energy of youth, while also being firmly and confidently established in Perth's high quality private education environment. We believe firmly in co-education and have particularly sought to develop practices which ensure that we gain the benefits of having both genders at the College, while ensuring that all students' learning needs are met. We are an academically focused school where students of all ability levels are encouraged to achieve their personal level of excellence. We have a record of significant achievements in public examinations and academic competitions. Visitors invariably comment on the happy and friendly atmosphere and we believe this provides the essential foundation for effective learning. We are K to 12, and have an enrolment capacity of 1250, deliberately capped at this number to ensure all students are recognised and valued as individuals; Junior School comprises Kindergarten to Year 6, and Senior School begins with our widely recognised Transition program of Year 7 and 8. All Saints' College provides holistic schooling with emphasis on service, physical and emotional health, personal development and creativity.
