

**ALL SAINTS'
COLLEGE**

Tuesday, 25 September 2018, Melville Times, page 2
Oliver Wright (Year 7), Xiaoyu Chen (Year 8), Julius Clegg (Year 8),
Jason Shan (Year 7), Aaliyah Kadir (Year 7) and Shaurya Kaushal (Year 7).

Milestones

ALL Saints' College's Year 7 and Year 8 Mathematics teams finished first in Australia at the Have Sum Fun Online 2018 (HSFOL) competition for Term 3.

Taking out the top spot for the second year in a row, the

Year 8 team's win was significant as they were able, with only two members, to beat 58 other schools.

The students who competed were Oliver Wright, Xiaoyu Chen, Julius Clegg, Jason Shan, Aaliyah Kadir and Shaurya Kaushal.

Teams of four typically participate in the online mathematical quiz, which comprises three rounds of Naplan-type problems and is open to students across Australia from years 3 to 10.

All Saints' students Oliver Wright, Xiaoyu Chen, Julius Clegg, Jason Shan, Aaliyah Kadir and Shaurya Kaushal.
