

ALL SAINTS'
COLLEGE

Tuesday, 13 November 2018, Melville Times, page 2
Shevanka Dias Abeyagunawardene (Year 11), Xiaoyu Chen (Year 8) and
Rémi Hart (Year 10)

Milestones

THREE All Saints' College students have been invited to attend prestigious national Mathematics and Physics Summer Schools at two of Australia's top universities. Year 11 student Shevanka Dias Abeyagunawardene will participate in the 2019 Australian Science Olympiads Summer

School for Physics, while Year 8 student Xiaoyu Chen has been selected for two schools: the 2018 Australian Mathematics Olympiad Committee (AMOC) Mathematics School of Excellence and the National Mathematics Summer School which he will attend with Year 10 student Rémi Hart.
