The three day AIS Cadet Junior U21 camp is a chance for participants to hone their karate skills, with the 14-year-old All Saints College student to use it as a stepping stone for potential selection to the 2019 XI World Karate Championships in Chile this year.

It will be a competitive selection, with only two positions on offer.

## Training for Chile spot

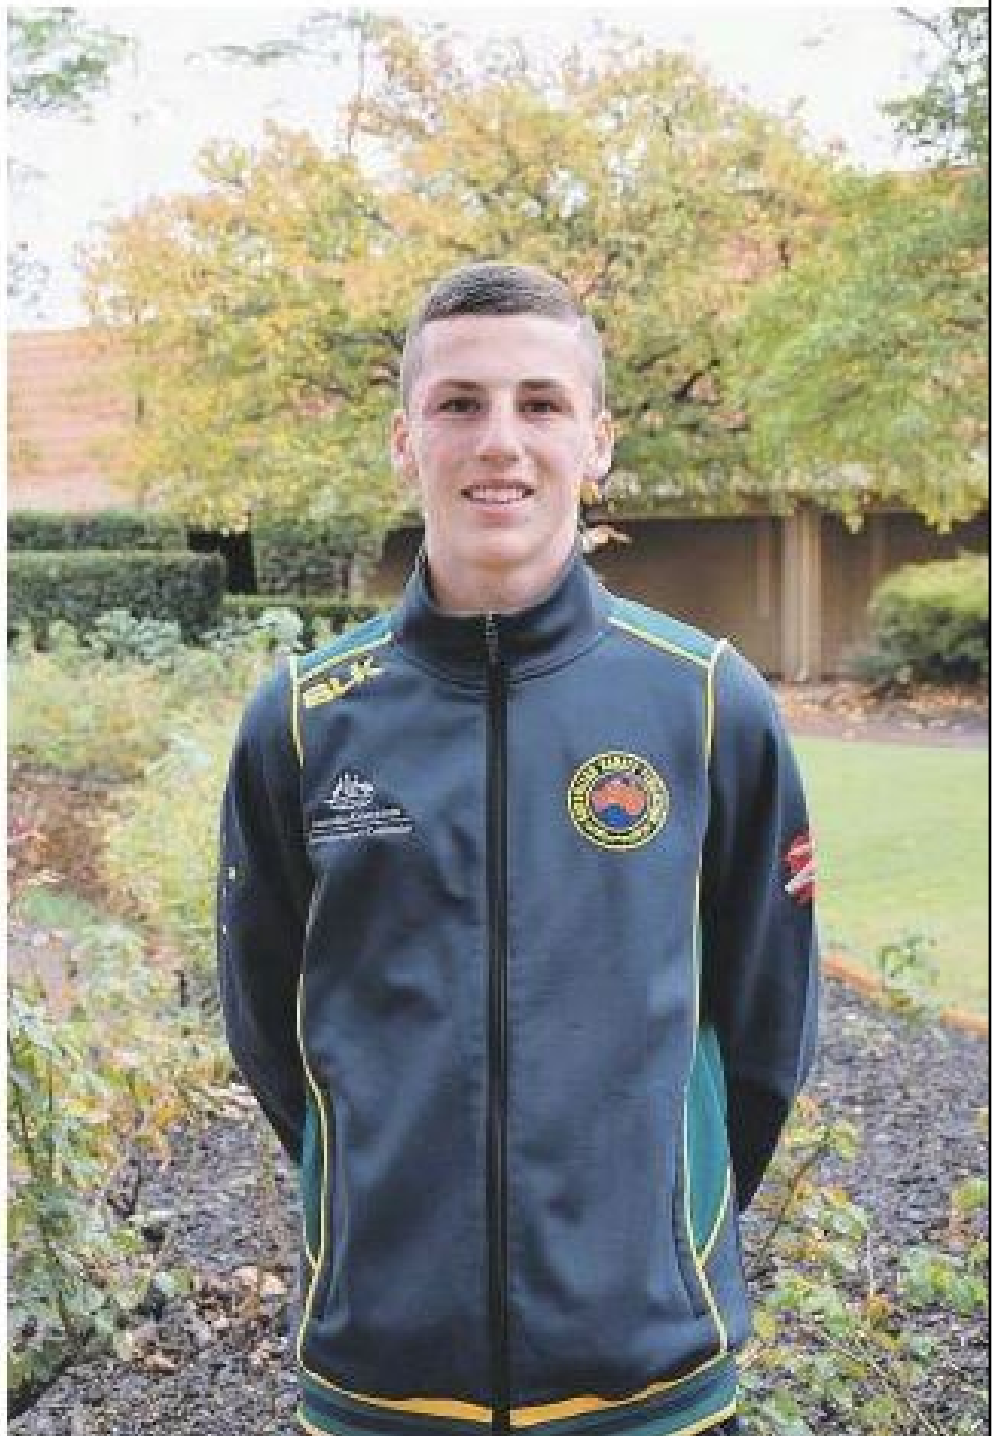

**NORTH** Coogee's Blake Skewes was looking to find his own Mr Miyagi when he attended a prestigious Australian Institute of Sport (AIS) karate training camp on the weekend.

The three-day AIS Cadet Junior U21 camp was a chance for participants to hone their karate skills, with the 14-year-old All Saints College student using it as a stepping stone for potential selection to the 2019 XI World Karate Championships in Chile this year.

It will be a competitive selection, with only two positions on offer.

Blake said having trained intensely, he was honoured to be a part of the camp, which he was invited to after winning gold and bronze at the Australian Karate Federation 2019 Australian Open.

"The camp is invite-only, so it was a great honour to have this opportunity to train in Canberra with a line-up of some of the best international and national coaches," he said.

Blake Skewes has had to show respect and and conduct himself with good sportsmanship to attain elite levels of karate.
