

**ALL SAINTS'
COLLEGE**

Saturday, 27 June 2020 | POST Education Guide (Page 54)

Personalised **EARLY LEARNING**

At All Saints' College, our early learning centre students come together innately curious and keenly motivated to understand the world through their unique perspective. Play-based learning is guided by educators to inspire and provoke as students develop core skills and capabilities. Inspired by the African proverb, "It takes a village to raise a child", staff focus on the holistic wellbeing of students in partnership with parents, and our students develop tools for life.
